EXTRA- CURRICULAR ACTIVITIES

TERM 3 / 2022

Extra-Curricular at Pakefield High

Terms 1 and 2 have been extremely popular for extra-curricular with many students taking up the amazing offers and gaining new positive experiences.

Students will not need to sign up to any clubs or gain permission, they can simply turn up on the day with the appropriate equipment/kit and enjoy. With this process in place students do not have to commit to one club, they can still experience a number of clubs throughout the term to fulfil their interests.

Extra-curricular is so important especially given the recent affairs going on in the world. It gives an opportunity for our students to continue to develop new skills, build positive working relationships and try new things which they may not have had an opportunity to do so before. It also allows students to experience different opportunities outside of the curriculum.

In a number of a clubs the students have multiple opportunities to represent their school through competitive events against other schools, or simply leisurely events which offers opportunities to meet new people and try new things.

You will see from reading this booklet the wide variety of activities available to our students for the current term. Activities will differ slightly throughout the academic year. If students have any questions about a particular club they can ask the relevant teacher or they can come and find myself.

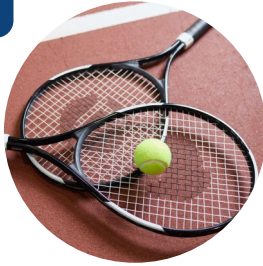

I look forward to seeing our students continue to take up the wide range of activities on offer and to continue to build positive experiences at Pakefield High.

Mr Herbert
Associate Assistant Headteacher

TUESDAYS

Location:
Sports Hall

Tennis With Mr Dowson

Tennis is a popular summer sport and as a nation we host an incredible international competition, Wimbledon. It's only right we give students opportunities to participate in such a sport.

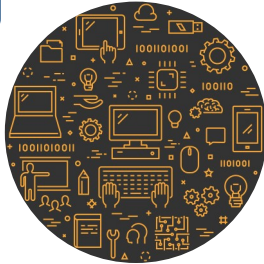

Rounders With Mrs Moore

Everybody loves a game of Rounders on a sunny afternoon! This club will give students the opportunity to do exactly that, and form new relationships and develop social skills.

Location:
Sports Hall

Location:
IT1

Computer Science Club With Mr Bancroft

Learn to program, use Photoshop, and build a website or anything else you can use a computer for if enough people are interested. The club will focus on one or two aspects at a time in groups.

The Final Push! (Year 11 Students Only) With Mr Groom

This club is for Year 11 students to create mind maps, flashcards and complete practise exam questions with support from teachers and peers.

Location:
EN2

Location:
Media

Comic Book Club With Mr Gurney

Comic books have been around for years and form the basis of much of the superhero films we know and love today. In this club, we will look into different comics and analyse them in detail before creating our own!

WEDNESDAYS

Location:
Sports Hall

Football With Mr Herbert

Football is the most popular sport at Pakefield, and the opportunities within the sport are ever growing. The club will look to develop those skills, tactical knowledge and give a deeper understanding of the sport, while developing a love of the game.

Dodgeball With Mrs Hastings

Dodgeball is one of the most popular sports at Pakefield. This club will aim to offer a variation of the sport and develop teamwork and communication skills.

Location:
Sports Hall

Location:
Marina Theatre

Pakefield Youth Theatre With Miss Simons

Students can experience working with external providers and develop knowledge of what it takes to be successful in the theatre industry.

Keyboard Club With Mrs Johnson

Students can improve their keyboard skills and learn how to play new and different pieces of music.

Location:
Music

THURSDAYS

Location:
Sports Hall

Cricket With Mr Dowson

Cricket is one of the national sports, and one we usually do well in. With this in mind, it's important we offer students the opportunity to play a variation as well as experience the bowling machine!

KS3 Eco-Committee With Miss Benton

This club will include pupil led discussion and actions to improve the environmental impact of our school, and to learn about environmental issues.

Location:
SC7

Week 1 Only

Location:
SC7

Week 2 Only

STEM With Miss Benton

Science, Technology, Engineering and Maths—students will complete CREST awards in a STEM subject of their choice and work on projects in teams.

Basketball Club With Mr Herbert

Basketball has a global fan base and our students at Pakefield are developing a passion for the sport. This club will ensure that passion will continue to grow.

Location:
Sports Hall

THURSDAYS

Location:
Music

Rock Band

With Mrs Johnson

Students will be able to use the drum kits, electric guitars and bass guitar in the music room to start a rock band!

KS3 Homework Club

With Miss Abbott

This club will give students in Years 7, 8 and 9 the opportunity to use the computers to complete their homework with supervision/assistance.

Location:
IT1/IT2

THURSDAY LUNCHTIME

Location:
MA8

Week 1 Only

KS4 Eco-Committee

With Miss Benton

This club will include pupil led discussion and actions to improve the environmental impact of our school, and to learn about environmental issues.
