Please log in to GO4schools using this address - https://www.go4schools.com

At the top right of the GO4schools home page please click on the 'PARENTS' icon

You will then need to choose 'first time user'
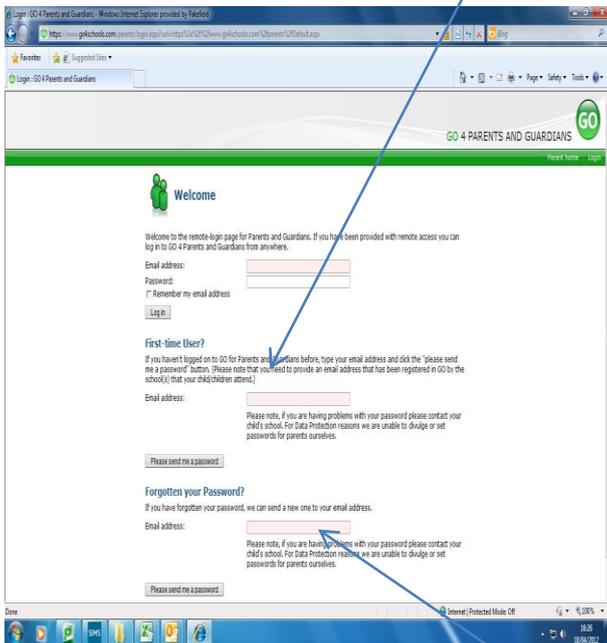

Please enter your email address and request a password. You should automatically receive an email reply from GO4schools giving you a password. Once you have logged in you will be able to change your password to a more memorable one if you wish.

If at any time you forget your password, please enter your email address and request a new password. Go4Schools will email you with a new password.

Should you wish to change your email address for access to GO4schools, please contact :- Mrs Hall – Data Manager at jh@pakefield.org.uk
