

# PAKEFIELD

An 11-16 High School and Learning Community

31<sup>st</sup> March 2023

Dear Parents and Carers,

We are now into our second round of parents' evenings – these commenced with our Year 11 event yesterday. I was pleased to return to face to face appointments, and I am appreciative of the positive feedback we had around the quality of conversations with teachers. Whilst I wished Year 11s a good break during my assembly with them on Monday, I know that this is a crucial time for revision and exam preparation, and I thank all parents and carers for their support in ensuring vital preparation takes place at home.

Other year groups will have their events in the summer term, and dates and details can be found on our [website here](#).

Homework will be a school focus for when we return after the Easter break. Homework activities will be set via Class Charts, and you will be able to see details of tasks and completion dates via the app. Teachers will be focusing on recall – tasks will require students to reflect and consolidate their learning from lessons. For English, Maths and Science, students will be asked to complete activities through Tassomai. If you are unfamiliar with the Tassomai app, you can [read more about it here](#).

Thank you all for your support over the term – I hope you and your families have a great Easter. School resumes for students and staff on Monday 17<sup>th</sup> April.

With best wishes

**Mr Dan Bagshaw**  
**Head of School**
