

22<sup>nd</sup> May 2024

Dear Parents and Carers

As we approach the half term break, I would like to congratulate all Year 11 students for their mighty efforts with exams. We are well into exam season now, and I have been impressed with students' conduct during this particularly stressful time. Half term offer a chance to relax, refresh and revise before the second half of the exam schedule begins on Monday 3<sup>rd</sup> June.

### **GCSE Maths paper 2**

The next maths exam takes place on Monday 3<sup>rd</sup> June. To support students in preparing for this, the maths team will be running a preparation session in school on Sunday 2<sup>nd</sup> June from 10 to 11am. To reserve your child a space at this crucial session, please [let us know here](#).

### **Non Uniform Day**

We will be holding a non-uniform day for all students this Friday, 24<sup>th</sup> May. Students are asked to bring a £1 contribution, with funds going to the PTFA. As always with non-uniform days, please ensure your child is dressed appropriately for school – we reserve the right to send students home to change should this not be the case.

I wish you and your family a relaxing half term break!

Mr Dan Bagshaw

Head of School
