

9th May 2025

Dear Parents and Carers

This week marks a significant milestone for our Year 11 students as their written exams begin in the hall today. We are incredibly proud of the hard work and dedication they have shown in the lead-up to this point, and we wish each and every one of them the very best of luck. To support them through this period, we have organised a series of revision booster sessions, taking place either the afternoon before or the morning of each exam. These are designed to help students feel confident and fully prepared, and will take place during the normal school day to avoid adding pressure to young people at this critical time.

On Wednesday, we were delighted to welcome 164 families into school for our transition event. It was a pleasure to meet so many of you, and we're already looking forward to welcoming your children back in July for their full transition days. These visits are an important step in helping students settle in and feel part of our school community from day one.

We also want to wish the very best to the students taking part in the Duke of Edinburgh expedition this weekend. It's a fantastic opportunity for them to build resilience, teamwork and independence. A huge thank you to Miss Grice for her leadership and support in organising and leading the expedition.

Finally, a gentle reminder that the disabled parking bays at the front of the school are reserved for those with a valid Blue Badge only. We ask for your support in keeping these spaces available for families who need them most.

Thank you for your continued support.

Best wishes

Mr D Bagshaw
Head of School
