

9th January 2026

Dear Parents and Carers,

Welcome back to the start of the spring term!

I hope you all enjoyed a restful and happy break with your families. As we return to school, I'm excited about the opportunities and challenges that lie ahead. Our students have already demonstrated great commitment and resilience, and I look forward to building on the strong foundations we've established together.

This term brings some important events, including the **Year 9 Options Evening on Thursday 22 January**, followed by the **Year 9 Parents' Evening on Thursday 5 February**.

We also have upcoming assessments: **Year 9 in-class assessments begin next week**, with **Year 8 assessments starting the following week**. Please see the schedule below for details. These will be followed by reports before half term.

I'm confident that, working together as a school community, we will continue to support every student in achieving their very best.

Free School Meals – Check Your Eligibility

If you think your child may be eligible for free school meals, you can apply online and receive an immediate response and confirmation email.

Children who have received free school meals since 1 April 2018 will continue to receive them until the end of the 2025/2026 school year, regardless of changes in income.

Use this link to check and [Apply for free school meals](#)

If your child is eligible for free school meals, they'll also qualify for the Holiday Activity and Food Programme. [More information from Suffolk County Council is available here](#)

Student of the Week

CONGRATULATIONS! KS3 MUSIC STUDENT OF THE WEEK

ALFRED

For his positive attitude to all lessons and for making excellent progress

CONGRATULATIONS! KS4 MUSIC STUDENT OF THE WEEK

ZACH

For excellent effort in his C2 work and for a stunning performance in the Christmas Showcase

Community student of the week

Pakefield Community Spotlight

Brodie

One of our Sports Studies students, Brodie, is speaking to us about his successes in trampolining this week

Brodie's story:

Brodie began trampolining at the age of 12 when he tried it at a school club. He then looked at local clubs and currently trains at Waveney Gymnastics. Brodie is now an accomplished trampolinist and has mastered a range of advanced skills. He has recently undergone trials to compete in Regional competitions for U16s. He is presently working on mastering his straight barani and a back tuck somersault to seat drop. We wish Brodie the best of luck in all his upcoming competitions!

Year 10 Work Experience Information

East Suffolk Council Work Experience Opportunity

We're excited to announce that East Suffolk Council is offering work experience placements at their Riverside office in Lowestoft for the final week of the Summer term.

Last year, three of our students completed their placements there and had a fantastic experience!

This week-long event provides a unique opportunity for students to explore the wide range of work carried out by East Suffolk Council. Unlike traditional work experience, this program offers a chance to develop essential workplace skills, such as professional conduct and communication. Students will also participate in a series of interactive sessions with different teams, giving them insight into potential career paths and the opportunity to learn from experienced professionals.

If you're interested in applying for this valuable experience, please speak to Mrs Moore for more details and to collect an application form.

James Paget University Hospital

Unfortunately, the work experience placement dates at the James Paget Hospital do not align with ours, so it won't be an option this summer. However, if you're still looking for a healthcare-related placement or need help finding an alternative, please feel free to book an appointment with Mrs Bray (Careers Advisor). She will be happy to assist you with exploring other opportunities.
