

Dear Parents and Carers,

I've had the pleasure of popping in and out of many lessons this week, and it has been wonderful to see the high levels of engagement and the fantastic work taking place across all year groups. Our students continue to impress us with their enthusiasm, creativity, and willingness to challenge themselves, and I'm incredibly proud of the positive learning atmosphere they help to create each day.

A reminder that student attendance remains absolutely vital to their progress and overall wellbeing. Being in school consistently makes a significant difference, but if there is ever an occasion where your child needs to be absent, please ensure you contact us on the morning of the absence and leave a message so we can keep our records accurate and ensure their safety.

We are also looking forward to the Year 9 reports and Parents' Evening next week, which will provide a valuable opportunity to discuss progress and next steps. Year 8 reports will follow the week after. In addition, Year 11 students will soon be receiving their mock exam timetables, helping them prepare for this important phase with clarity and confidence.

Wishing you all a restful and enjoyable weekend.

Request for Uniform Donations

We are reaching out to ask for your support with our school uniform provision at Pakefield High School. We want to ensure that all our students have access to the correct uniform options when in school. By collecting pre-loved uniform items, we can help families who may be finding uniform costs challenging or who needs a temporary loan of some uniform

What we need

We would be grateful for donations of any clean, good-quality uniform items that your child has outgrown, including:

- School blazers
- School Jumpers
- Trousers/School skirts
- PE kit
- Ties

How to donate

Please send any donations into school with your child, who can hand them to their Year Lead. Alternatively, you can drop items off at the Main School Office.

Every Day Counts: Supporting Your Child's Attendance

We wanted to take a moment to remind you of the vital importance of regular school attendance. Research consistently shows that good attendance is one of the strongest predictors of academic success and future opportunities for young people.

Why attendance matters

When students attend school regularly, they:

- Keep up with their learning and don't fall behind their peers
- Build strong relationships with teachers and classmates
- Develop important life skills like punctuality and commitment
- Have better chances of achieving their full potential in exams and beyond

What good attendance looks like

We expect all students to maintain above 95% attendance. This means missing no more than approximately 7-8 days across the entire school year. Even absences that seem small can add up quickly and impact your child's learning.

How you can help

- **Ensure your child attends every day** unless they are genuinely too ill to do so
- **Arrange medical and dental appointments** outside of school hours wherever possible
- **Contact the school on the first day** of any absence before 9am to explain the reason
- **Talk to us early** if your child is finding it difficult to attend school – we're here to support you

When to keep your child at home

Your child should only miss school if they are genuinely too unwell to attend. Minor colds, headaches or feeling 'a bit under the weather' are not usually reasons to stay home. If you're unsure, please send them in and we can contact you if needed.

Need support?

If your family is experiencing difficulties with attendance, please don't hesitate to contact us. We can work together to identify any barriers and put support in place to help your child return to regular attendance. Thank you for your continued support in ensuring your child makes the most of their education.

Student of the Week

CONGRATULATIONS! **KS3 ART STUDENT OF THE WEEK**

PHOEBE

Congratulations to Phoebe our KS3 Art Student of the week.
Phoebe has produced some amazing work this year, her drawing skills are truly outstanding. She always works hard often helping other students, she has even produced example work to inspire younger students

CONGRATULATIONS! **KS4 ART STUDENT OF THE WEEK**

JESSIE

Congratulations to Jessie our KS4 Art student of the week. Jessie has worked extremely hard this year.
Her focus, studious attitude and resilience has enabled her to produce some really impressive work.

Community student of the week

Pakefield Community Spotlight

Zach

Zach in Year 11 has been dancing for many years and is here this week telling us all about it!

Earlier this year Zach lead his Sports Leadership assessment session to his peers and chose to deliver a dance lesson. The feedback from this was excellent and the session was very well lead and enjoyable, showing Zach's knowledge and experience in this sport

Zach's story:

My name is Zach and my favourite sport is dance. I have been doing dance for nearly 10 years now and I currently perform at Venue Performing Arts. I have done countless shows now in varying styles of dance. Street dance is my favourite style.

I would encourage people to join dance as some of the best moments can happen when dancing!

Year 7 Sportshall Athletics

Our Year 7 athletes attended the annual Sportshall athletics event at EPA this week. We saw some fantastic track and field performances from all of our competitors and the track races were especially excellent to watch.

Our girls team secured a top place win, winning by just one point; this was the closest the competition has ever been. They will now progress onto the next round in Ipswich in a few weeks time. Good luck girls!

A particular shout out to Millie who had standout sprinting performances in her individual race and the relays. Eloise also had a tactically excellent race in the 6 lap event, securing top spot. Declan, Oakley, Beau and Jasper also put in a great performance in the 4x2 relay, finishing in 1st place.

Well done to all our athletes!

Year 9 Boys Basketball

After a lot of commitment to training sessions on Wednesdays after school the Year 9 boys got to test their skills against the other local schools in our annual tournament.

After a fairly comfortable win in the semi-finals against EPA due to some excellent rebounding from Leo and good shooting skills from Floyd, Bobby and Ian, we progressed through to play Leman in the finals, finishing in 2nd place overall.

A well deserved silver medal. Well done boys!

Thanks,

Free School Meals – Check Your Eligibility

If you think your child may be eligible for free school meals, you can apply online and receive an immediate response and confirmation email.

Children who have received free school meals since 1 April 2018 will continue to receive them until the end of the 2025/2026 school year, regardless of changes in income.

Use this link to check and [Apply for free school meals](#)

If your child is eligible for free school meals, they'll also qualify for the Holiday Activity and Food Programme. [More information from Suffolk County Council is available here](#)

Year 10 Work Experience Information

East Suffolk Council Work Experience Opportunity

We're excited to announce that East Suffolk Council is offering work experience placements at their Riverside office in Lowestoft for the final week of the Summer term.

Last year, three of our students completed their placements there and had a fantastic experience! This week-long event provides a unique opportunity for students to explore the wide range of work carried out by East Suffolk Council. Unlike traditional work experience, this program offers a chance to develop essential workplace skills, such as professional conduct and communication. Students will also participate in a series of interactive sessions with different teams, giving them insight into potential career paths and the opportunity to learn from experienced professionals.

If you're interested in applying for this valuable experience, please speak to Mrs Moore for more details and to collect an application form.

James Paget University Hospital

Unfortunately, the work experience placement dates at the James Paget Hospital do not align with ours, so it won't be an option this summer. However, if you're still looking for a healthcare-related placement or need help finding an alternative, please feel free to book an appointment with Mrs Bray (Careers Advisor). She will be happy to assist you with exploring other opportunities.

Year 11 – Are you interested in a Career in Law?

Applications are now open for the King's College London Widening Participation Online Law Lecture Series (LLS) 2026. This is their first Law outreach programme fully accessible to students across the East of England.

What is the Online Law Lecture Series?

The Law Lecture Series is a free, national programme of live online lectures for students interested in studying Law and related subjects at university. Since launching the programme, thousands of students across the UK have been supported to explore law as a subject and career.

Students will:

- Learn what studying Law at university is really like
- Explore a wide range of legal careers and pathways
- Receive guidance on applications, admissions and the LNAT
- Take part in weekly live Q&A sessions
- Join a national community of like-minded students interested in Law

When & where?

- Live online lectures via Zoom Webinar
- Held on Thursday evenings
- Running from March – June 2026
- Accessible on a computer, tablet or mobile device

If you would like to apply for this opportunity, please see Mrs Moore. The deadline to apply is Monday 9th February.

Year 11 – Are you interested in medicine or dentistry?

Applications for King's College London Medicine and Dentistry Lecture Series 2026 are now open!

This programme is for students across the UK in Year 11, 12, and 13 interested in becoming a doctor or dentist.

Over the course of the programme students will hear from a wide variety of speakers to help build their understanding of the opportunities and challenges of being a doctor and dentist, as well as guidance on the application process.

Last year's lectures included the following:

- Medical and dental specialties: cardiology, oral surgery, renal transplant, and many more!
 - Q&A's each week with current medical and dental students
 - Support with the application process: UCAT, personal statements, and interviews
 - Q&A with admissions colleagues from King's various universities

Most importantly participants will become part of a community of like-minded students all interested in applying to medicine and dentistry and finding out what being a doctor and dentist really entails! Lectures will be held on Tuesday or Friday evenings between 5:00 – 6:30pm. (on zoom) Our first lecture will be on Tuesday 24th March 5pm.

For more information, please see Mrs Moore. The deadline to apply is **Monday 9th February 2pm.**

Are you aged 14+ and interested in a healthcare career?

NHS
England
East of England

Virtual Work Based Learning Programme

Are you aged 14+ and interested in a healthcare career & want to find out more?

Not sure what career might suit you?

How to access work experience?

Then why not explore the 15 Allied Health Professions (AHP)?

Aspiring Allies offers you an opportunity to explore Allied Health Professional and Support Workforce careers through online virtual work experience.

How does it work?

- Available Programmes: AHP overview, Occupational Therapy, Physiotherapy, Dietetics, Operating Department Practitioner
- Join us for our live launch & finale events online.
- Free, flexible and accessible!
- Complete other modules in your own time, on your own device, any time.

WHY?

BOOST your CV.

Learn at your own pace.

Meet & talk to professionals currently working in services in your area.

Register your interest in the programme by scanning the QR code here:

ASPIRING ALLIES

MODULES OF ASPIRING ALLIES

EACH MODULE WILL TAKE APPROXIMATELY ONE HOUR TO COMPLETE.

1 THE ALLIED HEALTH PROFESSIONS

- Live launch event 4th February 2026 4 - 5pm.
- Discover the different AHPs, entry routes and requirements.
- Explore a range of opportunities.
- Your AHP aspirations.

2 THE AHP SETTINGS

- Discover the different settings an AHP might work in.
- What the settings look like.
- Case study examples in a variety of settings.
- Interactive case study creation to test understanding.

3 THE AHP VALUES

- Learn the core values for working in care.
- Demonstrate your core values.
- Write a personal statement.

4 A JOURNEY THROUGH A PATIENT'S PATHWAY

- Learn about the Multi-Disciplinary Team approach.
- Set an AHP timeline.
- Rescue a patient.
- Develop a patient case study.

5 AHP DEEP DIVE

- Find out how to become an AHP.
- Research the AHP roles.
- Create an AHP job description.
- Create an AHP job advertisement.

6 PRACTICAL TIPS FOR BECOMING AN AHP

- Find out how to become an AHP.
- Plan your next steps.
- Reflect on your AHP journey.
- Live finale event 4th March 2026 at 4 - 5pm.

Register your interest in the programme by scanning the QR code here:

The Aspiring Allies virtual work experience programme will now be facilitated by the East of England team for NHS England.

The programme is suitable for anyone aged 14+ and consists of a live online launch and closing Q&A session hosted by programme leads and a panel of representatives from the Allied Health Professions and support workforce.

Between these sessions, participants are allocated a month to complete six individual online modules at their own time and pace, each taking around an hour. The programme is free of charge and can be accessed via phone, tablet, laptop or PC. The sessions can be mentioned in personal statements, interviews and university applications.

To participate in the next programme (starting 4th February 2026) applicants can register via the QR code on the attached flyer.
