

Dear Parent/Carer,

Year 10 Raising Achievement Information Evening
Thursday 8 October
5:30pm to 6:30pm (doors open at 5:15pm)

As your child begins their GCSE courses, we would like to invite you to our **Year 10 Raising Achievement Information Evening** on **Thursday 8 October**.

This event has been designed to provide parents and carers with valuable information about the GCSE journey and how we can work together to support students in achieving their full potential over the next two years.

During the evening, I will outline our expectations for Year 10 students and share practical advice on how parents can help their child to be successful. There will also be presentations from our **Heads of English, Mathematics and Science**, who will provide key information about GCSE courses, curriculum requirements, revision strategies and the skills students need to develop in order to achieve excellent outcomes.

The evening will conclude with an opportunity to ask questions and seek further guidance from staff.

We strongly encourage all parents and carers of Year 10 students to attend this important event as we begin the GCSE programme and continue our shared commitment to helping every student succeed.

Please confirm your attendance using this form:
