

23rd September 2026

Dear Parents and Carers,

Our parents and carers evening for Year 11 will take place on Thursday 15th October between 4:00pm and 7:00pm with 5-minute appointments available.

This is an extremely important parents' evening in your child's GCSE journey at Pakefield High School. Teachers will be able to provide vital updates on progress following the summer mock examinations sat in Year 10, and set revision targets as we move towards the November mock examinations.

Your child's Progress Review Report will be issued on the evening. The Progress Review is an indication of how well your son/daughter is progressing with the grades they achieved in their summer Year 10 mock examinations, along with their target and forecast grade.

You will be able to make your bookings online from Wednesday 23rd September after 9:00am.

We will be using our online booking system to make appointments - please click on this [link](#) to be directed to this. This event will be held face to face at the school with appointments taking place in The Main Hall and Performance Space.

Should you have any problems with accessing the system to make appointments please contact the school office. Our teachers are looking forward to meeting with you soon.

Yours faithfully

Mr E Gibbons

Deputy Head Teacher
